Mr. Clarence G. Carlson

Mr. Clarence G. Carlson has completed his fourth year as superintendent of the Hagerstown-Jefferson Township Schools. During that time he has placed the welfare of our school as his primary interest. He is continually striving to do what is most beneficial to the students. To foster a spirit of friendliness, good sportsmanship and good will is his chief objective. The school board, faculty, and students have come to depend on his leadership and guidance in the many problems and affairs of the school.

Miss Helen Smith is Mr. Carlson's secretary. This year Mrs. Mariellen Stewart has assumed the duties of financial secretary. The cheerfulness and co-operation of both secretaries have proved an asset to our school.

Mrs. Virginia Wichterman

Miss Helen Smith

Mr. Eugene H. Stone

Mrs. Mariellen Stewart

During the three years Mr. Stone has been principal at Hagerstown High School, many students have come to depend on him for advice in scholastic and personal problems. His understanding leadership has served as an inspiration to faculty and students. Mr. Stone has constantly sought ways to improve our school. His unceasing efforts have aided in establishing H.H.S. as one of the finer small schools in Indiana.

A welcome addition to H.H.S. is Mrs. Virginia Wichterman. As Mr. Stone's secretary, she is able to relieve him of numerous tasks. Her efficiency and cheerfulness kept the office running smoothly.

Members of the School Board are, seated clockwise, Horace Smith, James Stewart, Voyle Allen, Clarence Carlson, Blair Martin and Albert Federica.

SCHOOL BOARD

The School Board is one of the most active school organizations.

Superintendent C. G. Carlson recently has been helping on a county committee for the reorganization of the schools and keeps the board well informed of the happenings and developments.

One of the most recent projects of the Board was the new lighting of the school. It greatly improved the corridors and classrooms of H. H.S.

They now are working on a policy handbook which they hope soon to publish. A new Agriculture barn is also under construction.

Future plans include improving all toilet facilities, increasing the farm-shop area, paving area around Science building and eventually running water lines to the concession stand.

We realize all the efforts and hard work of the School Board and want to take this opportunity to express our sincere thanks and deep appreciation to them.

At right President Voyle Allen works at his desk.

Mrs. Brankle
Cafeteria Manager

The school cooks are busily preparing one of their delicious meals for the hungry students.

Students and teachers relax and enjoy their lunch in the spacious school cafeteria.

The bus drivers congregate before starting their routes at the close of school.

CLASSES

Gene Warner explains Gothic architecture to the senior English class. Also pictured are Mr. Ervin, Tom Crome, Betty Rhinehart, Pam Kutter, and Joe Haisley.

A glance inside our spacious library shows many students busily working on their daily lessons, special reports and so forth. An addition to our library is a radio which provides soft music as a background for studying.

Mrs. Hagen, John Fallis, Gale Stohler and the rest of the speech class listen attentively as Jay Reed gives one of his famous speeches.

Mr. Nichols starts to solve a problem for the advanced algebra class, but this is only the beginning!

Still at it? My, this is a problem!

Math — A very interesting subject . . . eh fellas?

Mr. Sedgwick looks on as the blueprint reading class deciphers a blueprint.

Let's start over! Evidently Mary Limburg, Ricky Rhoades, and Melanie Snyder have different ideas about this problem.

Looks like it's experiment day in Chemistry class.

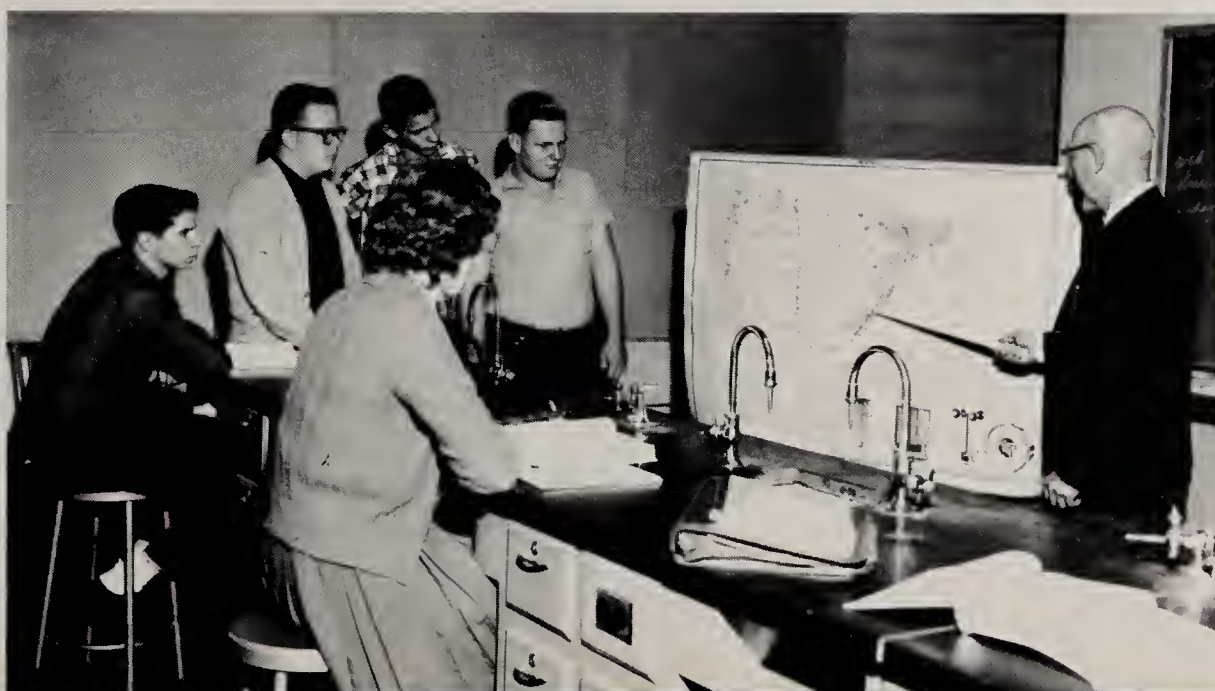

Sam Prater, John Cleghorn, Ruth Ann Hutchinson, and Beverly Poindexter wait their turn as Terryl McDaniels studies cells under the microscope.

The Advanced Biology class must be out on another field trip!

Mr. Barnhart points out weather trends to Judy Vestal, Warren Gray, Kent Kenworthy, Denver Hawk, and John Beard in Physical Science class.

Oops! — There it goes. Mr. Barnhart's physics class watches a demonstration.

LEFT: The junior home economics class busily prepares a meal in the school's spacious kitchens.

BELOW: Mrs. Braun points out the proper sewing method to Chris Bicknell as Barbara Delon and Pat Cross watch.

The agriculture class watches while Dick Hanen, John Litton and Roger Waltz give a demonstration.

RIGHT: Agriculture boys, under the supervision of Mr. Hylton, test grain for the annual grain show.
BELOW: Tim Howell and Larry Lester work intently sifting grain.

LATIN

Far from being a dead language, Latin comes alive for the students in Latin I and II under the direction of Miss Frum. The Latin classes study the classical world of the Romans and establish a basis for further study in the arts and sciences.

Students in first year Latin under the supervision of Miss Frum make an interesting bulletin board display.

Ronnie Williams and Suzette Skates show the second year class the proper declension of nouns. Norman Dingle and Marcia Ketring watch.

"Como esta usted, señor Mendez?" asks Howard Hurst of the first year Spanish class.

Mrs. Carpende shows her second year class pictures of one of her recent visits to Mexico. Left to Right: Betty Rhinehart, Vickie Shaffer, Judy Neel, and Shirley Werking. Second Row: Sandra Waltz and Sandra Snowden. Third Row: Jerry Carlson and Vern Vanderbilt.

This year a new method has been used to teach first year Spanish. Instead of learning rules, conjugations, and vocabularies by memory, the students listen to Spanish sentences on tapes and records and learn to speak the language by hearing it again and again. This method has seemed to be highly successful and very enjoyable to all.

SPANISH

Marjorie Messer, Charles Tutterow, Pat Cross, Alan Scott, John Swindell, Ruth Davis and Stephani Jordan practice centering in typing class.

In office practice the girls learn to master several different machines. Here Karen Stevens and Pam Kutter operate comptometers while Sheila Hamilton types.

BUSINESS

Carolyn Ballinger and Barbara Bavender practice at the board in advanced shorthand class.

Leona Burry sits as a model for the junior high art class.

ART AND GOVERNMENT

David Smith, Norman Scholl, Karen Stevens, Tommy Murray, Charles Heaston and Delmar Kerney work on one of their many art projects.

Seniors in the government classes study not only the construction of our government, but also enjoy interesting discussions of current events.

Vern Vanderbilt and Tim Howell watch as Marcia Ketting points out Egypt to Mr. Barnhart in World History class.

HISTORY

Tam Murray and the rest of the Juniors study U. S. History.

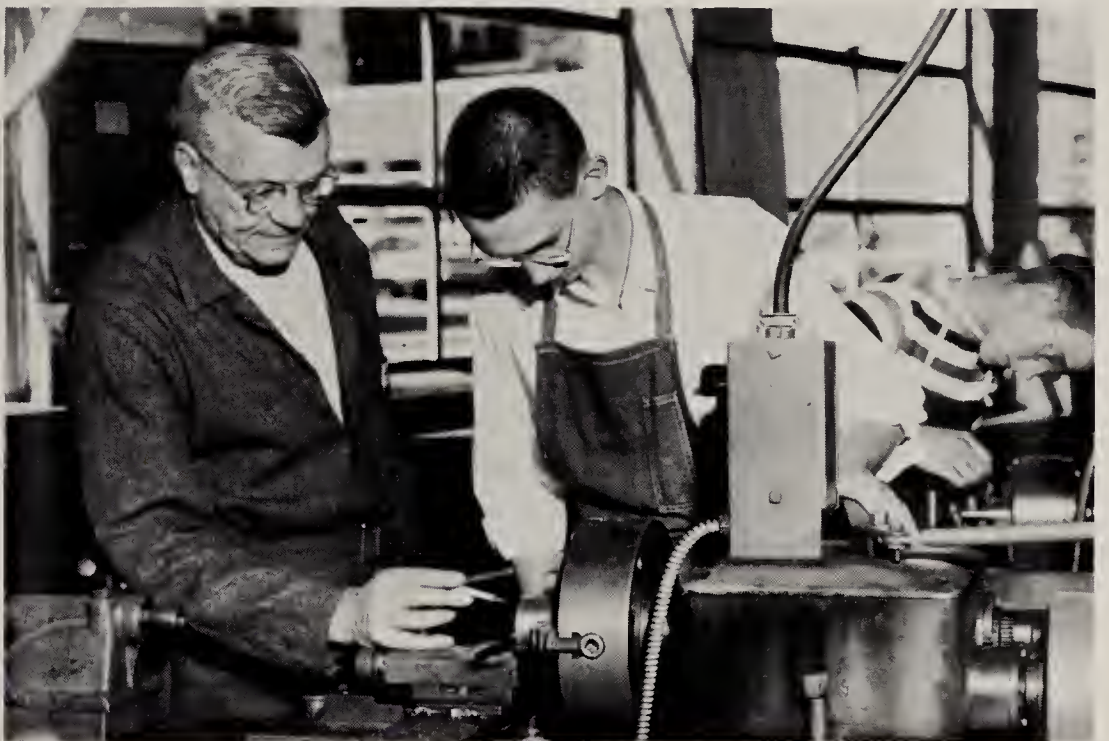

Mr. Whitesell shows the boys in his junior high class the elementary procedures of woodshop. Left to right: David Scorett, Ross Wolters, Mr. Whitesell, Jimmy Brown, and Dorrell Culbertson.

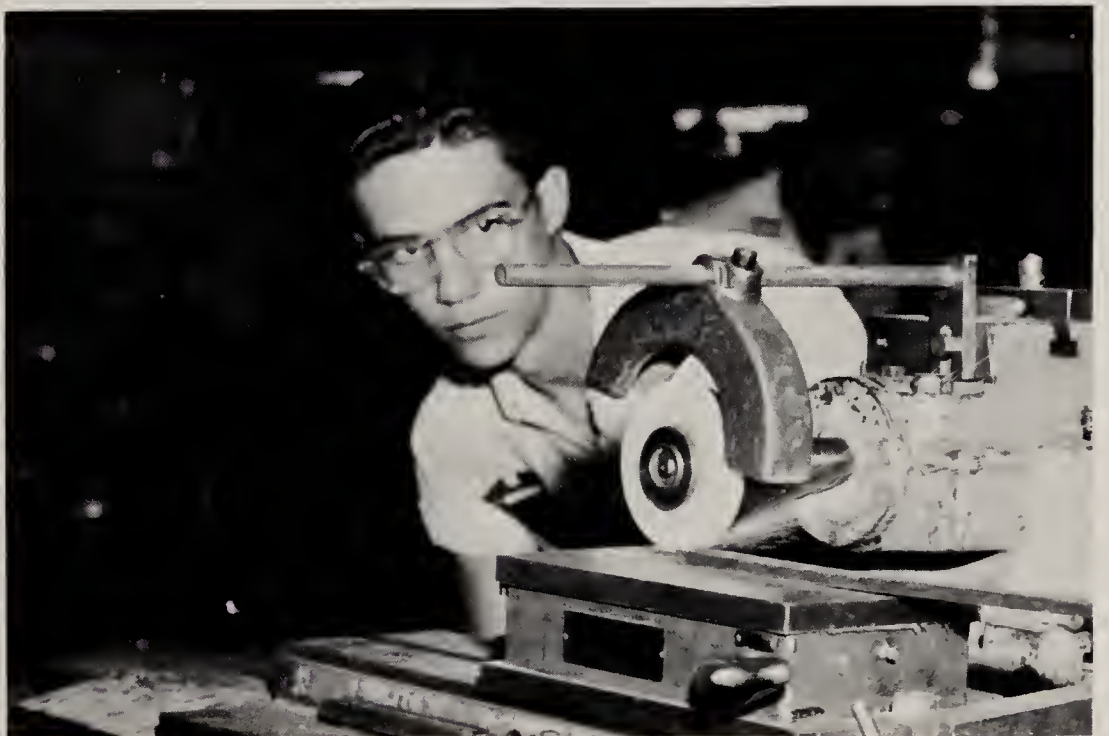

SHOP

Mr. Sedgwick shows Terryl Cummins a port on a lathe.

Charles Heoston, Alon Scott, Norman Scholl, Jim Miller and Mr. Hylton practice some surveying.

Dorly Shoffer seems very intent running the grinder in machine shop.

The Hagerstown High School Golden Tiger Band has stimulated among the students an interest in classical music, and has added color and harmony to the home football and basketball games.

In addition, their year of performances included three concerts and contest. In addition to band contest, most of the members participated in solo and ensemble contest, many of them attaining state honors.

This wild celebration marked the end of a fabulous football season. Our wonderful Tigers had just ended a perfect season with a very convincing 10-0 victory over sworn rival Cambridge City. The famous victory bell rang as never before. It tolled the 10-0 victory that climaxed a 10-0 season. Our Tigers were great!

"Wedge it; Let's go gang!"

The rugged forward wall.

Warm up for another victory.

Bob Weaver skips around right end for a sizable gain.

The Tiger line opens up another beautiful hole.

Who stole the ball?

To mark Hagerstown's tenth year in football, a homecoming was held. Here, Senior Connie May is crowned Homecoming queen by football captains Tom Crome and Gale Stohler. It was a great night, and the roaring Tigers responded to hundreds of clamoring fans by picking up victory number seven. It was a 12 to 7 defeat of conference rival Lawrenceburg.

Several ex-Tiger mentors and players gathered for the homecoming. They watched the Tigers post the first victory over Lawrenceburg in those ten years of football. Thanks, coaches, for helping make Hagerstown a "Football Town".

The coaches promised to walk if victory came to the Tigers — and walk they did. But the sheriff took pity and the coaches rode home like criminals.

For the players it was food at the Smorgasbord.

A fire truck full of fiery Tigers led a parade that shook the town.

Coach Armstrong diagrams a play for the onlooking Tigers.

Our Hagerstown Tigers, the majority having little experience, defeated some formidable opponents in a season marked by several close decisions with the Tigers on the short end. The team's 9 - 15 record wasn't too impressive, but the Tigers finished strong and ended by showing visitors to the Richmond Sectional that they were really tough. The crew defeated three county opponents and then marched on to the finals and gave the mighty Richmond Red Devils all the basketball they could handle. After Richmond jumped off to an early lead, the Tigers fought the Devils hard and even, but could never make up the deficit. We're proud of our TIGERS and look forward to great teams in the future!

This was the second year of Tiger basketball for mentor Pete Armstrong. He was engaged in the difficult task of trying to win in a building year. We are sure his efforts will not have been in vain.

ACTIVITIES

Y-TEENS

This year for the first time, the Hagerstown Y-Teens made it possible for their members to join the Richmond Y.W.C.A. This makes its facilities available to all members of our Hagerstown Y-Teen Club. The school and community both appreciate the many fine service projects rendered by our Y-Teens.

HI-Y

Based on the standards of clean speech, clean sports, clean scholarship, and clean living, the Hagerstown Hi-Y Club carries on many worthwhile activities throughout the school year. This year they sponsored a clothing drive for World Service, but they also have many fine projects within the school, and we thank them for the fine job they do.

Mrs. Carpenter and the Spanish Club watch as members Patty Davis, David Smith, Susan Detweiler, and Betty Rhinehart perform a Spanish dance. During the year the Club learned much about our Latin American neighbors by playing their games, singing their songs and eating Spanish foods.

SPANISH CLUB

LATIN CLUB

Judy Johnsan and Stephani Jordan show the Latin Club what the well dressed Roman girl might wear.

The club's main project is the Roman Banquet held each year in March.

Sitting around the equipment that is so familiar to them, are officers; left to right: Chris Brown, Debbie Bond, Leonn Lindley, Suson Hunnicutt, and Connie Fisher.

GIRLS' ATHLETIC ASSOCIATION

For any girl who is interested in sports, good company, and fun, the Girls Athletic Association is a good place to be. Along with Play Days and Work

Days, they meet girls from other schools in sporting competition, which often creates new friendships as well as good will.

Officers of the F.H.A. include, first row: Carolyn Ballinger, Shirley Werking, Devena Woolard, Wanda Perdue, and Mrs. Braun. Second Row: Marcia Whitehair, Judy Neel, Linda Conder, Dixie Woodward, Marcia Ketring, and Jane Bowman.

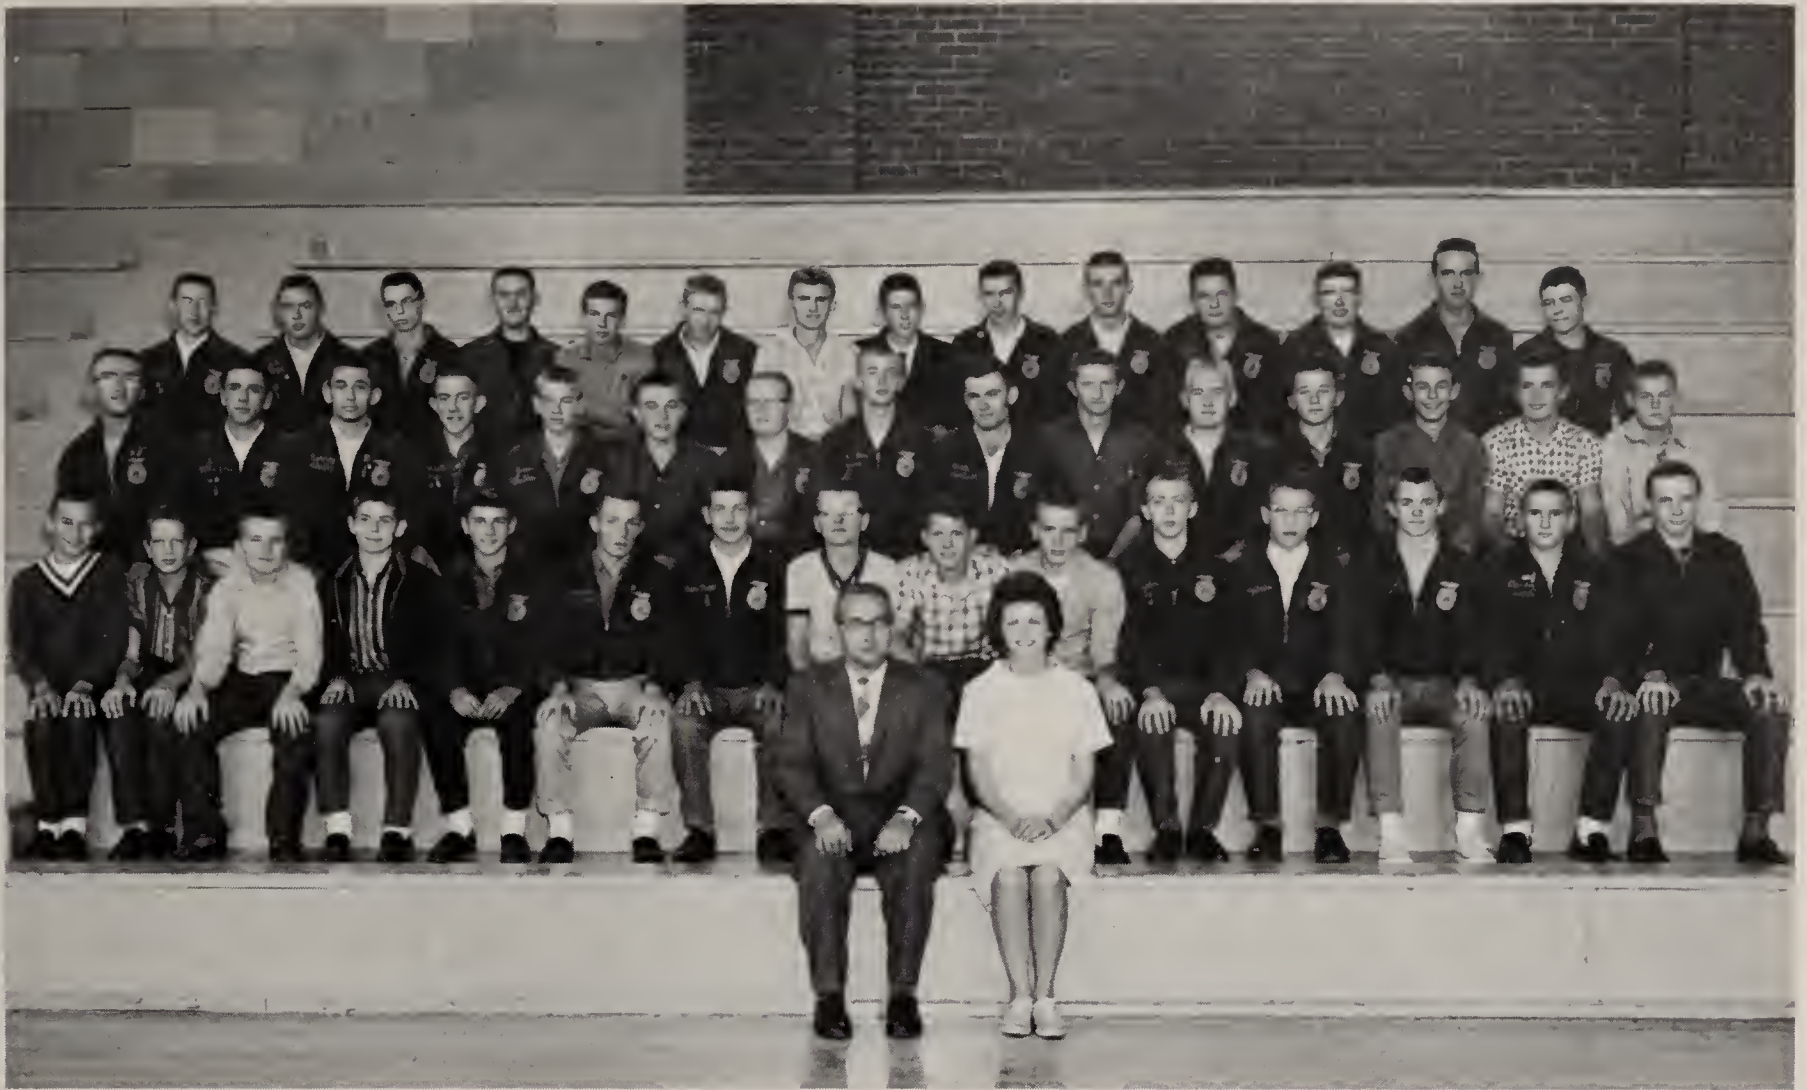

F. H. A.

The Future Homemakers of America is a group organized to teach young women the fundamentals of homemaking.

Included in their many activities is an annual trip to the Home Show.

F. F. A.

The Future Farmers of America is one of the most active organizations in the school. Some of their activities include participation in Dairy Judging, Hog Judging, Land Judging, Crop Judging and Grain Contest. The club is one of the high ranking in the state.

BELOW, LEFT, officers include: Jim Retherford, Jim Matney, Rodney Shultz, Myron Moyer, Bill Warfel, Dick Hanen and Roger Waltz.

BELOW, RIGHT: President Myron Moyer and Mr. Hylton call a meeting to order.

National Honor Society

Sponsors for the Honor Society are, left to right: Mr. Stone, Mr. Nichols, Mrs. Devine, Mrs. Helm and Mr. Barnhort.

Members of the organization meet in the library to plan their annual convocation.

Leadership, Scholarship, Character, Service — These are the criteria on which a student is judged when being considered for the National Honor Society. Each year the organization presents a convocation before the student body to point out the importance of developing these four qualities in the early years of high school. This year Marlin Walker, who helped write the club's constitution in 1954, told the group of the many benefits a member receives after graduation. To help encourage scholarship, the present members sent letters of congratulations to all students who had been on the A honor roll during the two semesters.

The Junior Red Cross, under the leadership of Miss Frum, is a very important organization in Hagerstown. In addition to the fine Variety Show, they present each spring, they have adopted this year a 9-year-old Korean boy, Chul Soo. Through the Council's financial aid, he will enjoy many necessities that are considered luxuries in his country. Council members include, left front to back: Joanna Johnson, Susie Detweiler, Sally Doughty, Barbara Bavender, Barbara Baer, Judy Johnson, Paul Leeka, and Miss Frum. Right front to back: Steve Stone, John Carlson, Greg LaMar, Linda Rinehart, Joe Haisley, Cheryl York, and Nancy Williams.

JUNIOR RED CROSS COUNCIL

STUDENT COUNCIL

The Student Council of Hagerstown is the newest organization in the school. This year for the first time it is becoming very active. The members and Mr. Jordan, their sponsor, have worked hard at preparing a Constitution. Members are, seated, left to right: Bob Weaver, Linda Rinehart, and Mr. Jordan. Standing, left to right: John McCormack, Melanie Fouts, Janie Welliver, Lee Murray, Patty Davis, Cynthia Atkinson, Lana Martin, Jon Ray Odom, and Darrell Teagarden.

Library assistants Edwina McCullough, Marylin Ott, Margaret Lacy, Janet Smith, Mary Jo Cain, Lowella Gray, Anita Wilson, Susan Werner, and Barbara Bavender work hard for Mrs. Helm, but find their job quite enjoyable in the beautiful and well equipped library.

Hagerstown High School Homecoming Queen

This year for the first time our school was blessed with the presence of a Homecoming Queen. The above girls were the four chosen as candidates from each of the four upper grades, they are, from left to right: Judy Tucker, Junior candidate; Connie May, Senior candidate; Julia Werking, Sophomore candidate; and Pam Werking, Freshman candidate. All the girls were worthy of the crown, but the one chosen by the student body of the school was Connie May. She was crowned by co-captains of the football team, Tom Crome and Gale Stohler at the start of the game on Friday, October 6.

Decorations go up as the Seniors prepare for the big event.

The sheriffs sharpen up their quick draw.

SENIOR CARNIVAL

Uh - oh !!! I think he forgot something.

Senior President, Joe Haisley, presents the King and Queen.

CHEER

BLOCK

The Hagerstown High School Cheer Block has entertained hundreds of spectators, and lent much encouragement to our Tigers. Their polished maneuvers, as well as their pep and spirit, have made them the envy of all surrounding schools.

GOLDEN TIGERETTES

"Forward, March!" These are common sounds to the H.H.S. Golden Tigerettes. One of the most active groups in the school, these girls can be seen performing during pre-game ceremonies and at half-time for all home football and basketball games.

Oh, we love the Halls of Ivy
That surround us here today,
And we will not forget tho'
We be far, far away.

To the hallow'd Halls of Ivy
Every voice will bid farewell,
And shimmer off in twilight
Like the old vesper bell.

One day a hush will fall,
The footsteps of us all
Will echo down the hall
And disappear

But as we sadly start
Our journeys far apart,
A part of ev'ry heart
Will linger here

In the sacred Halls of Ivy
Where we've lived and learned to know,
That thro' the years we'll see you
In the sweet after-glow.
